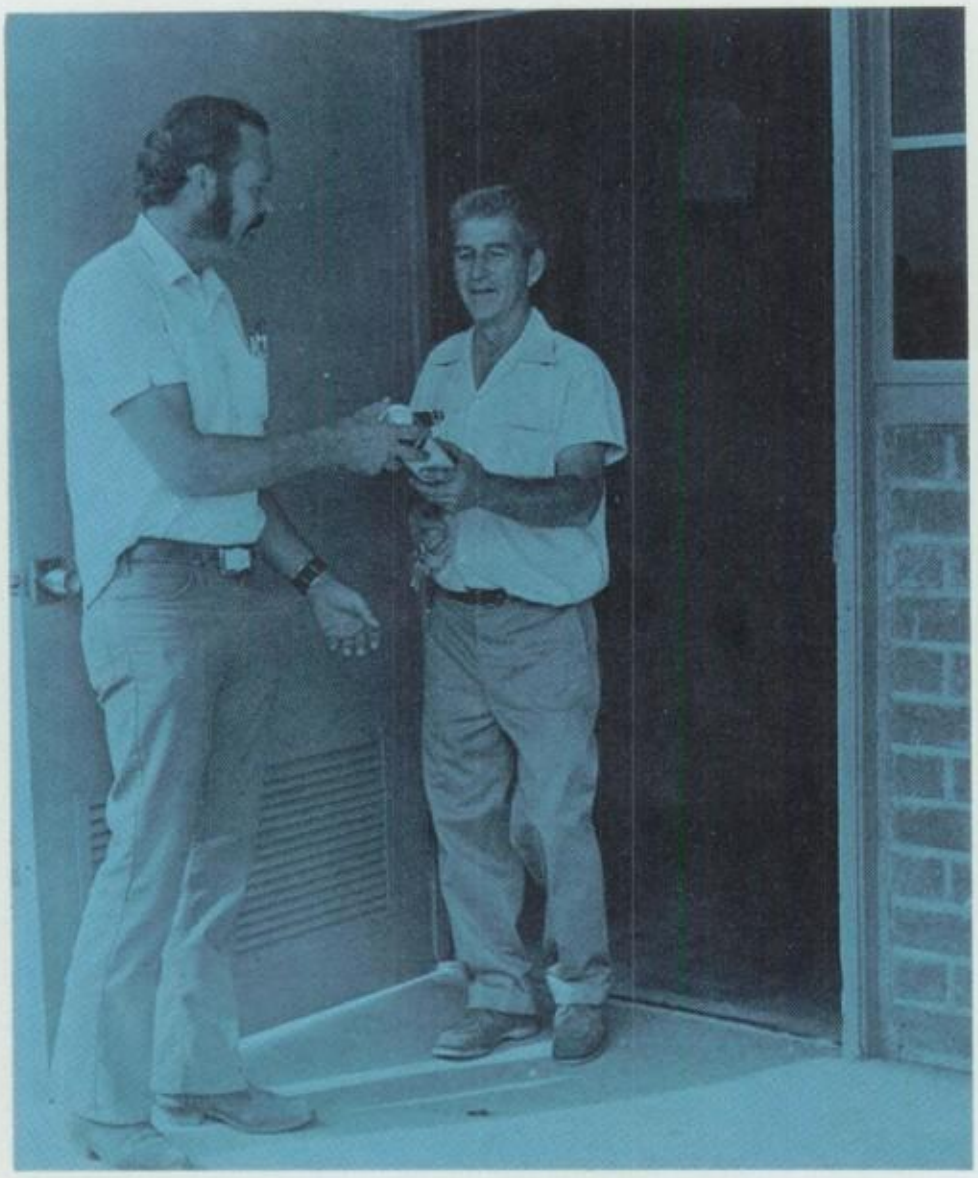
Don Betz

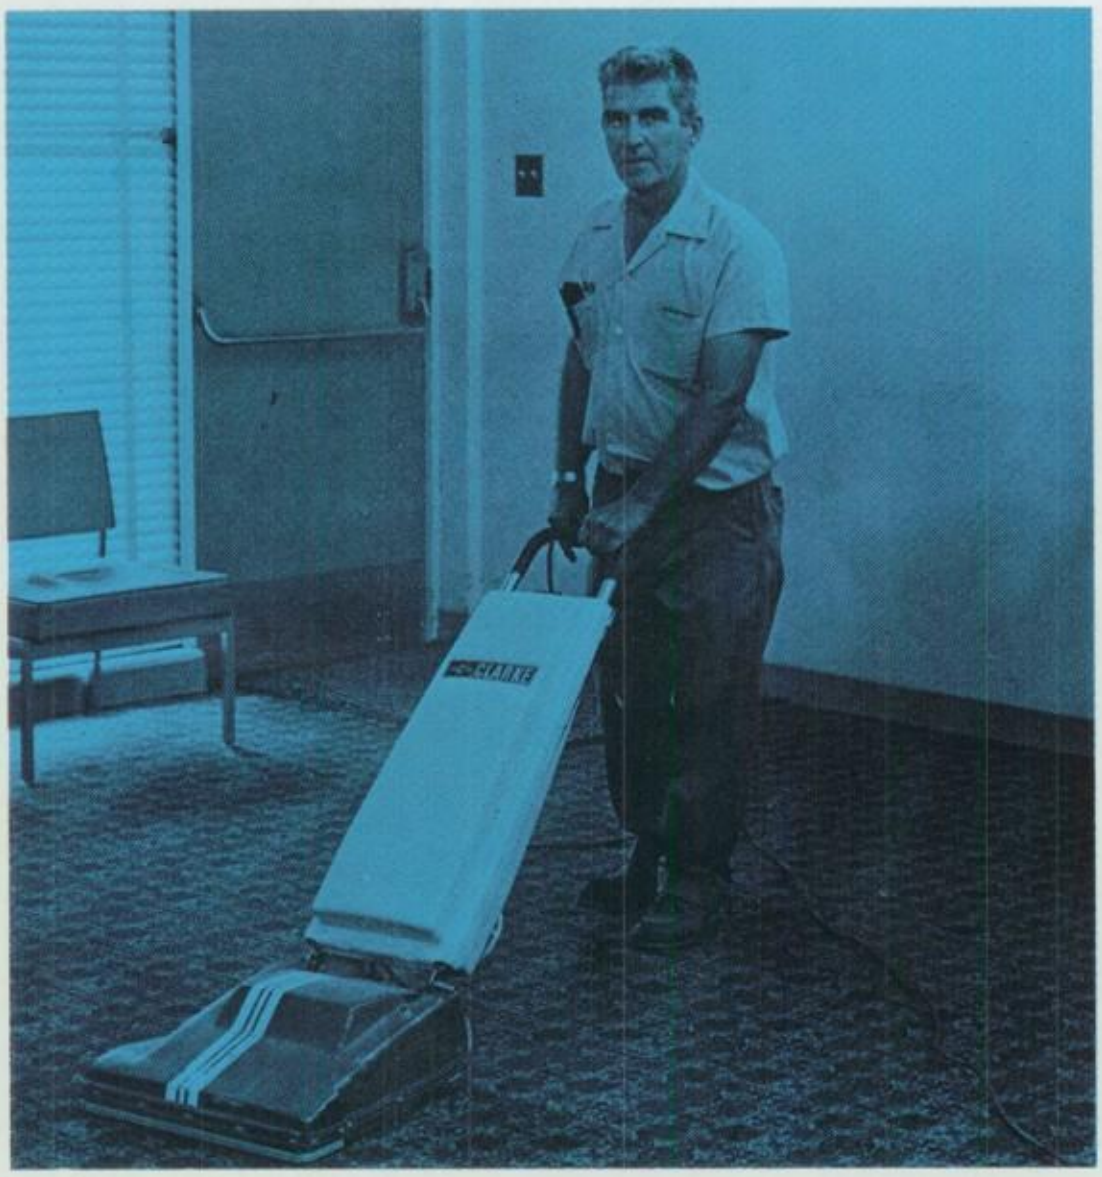


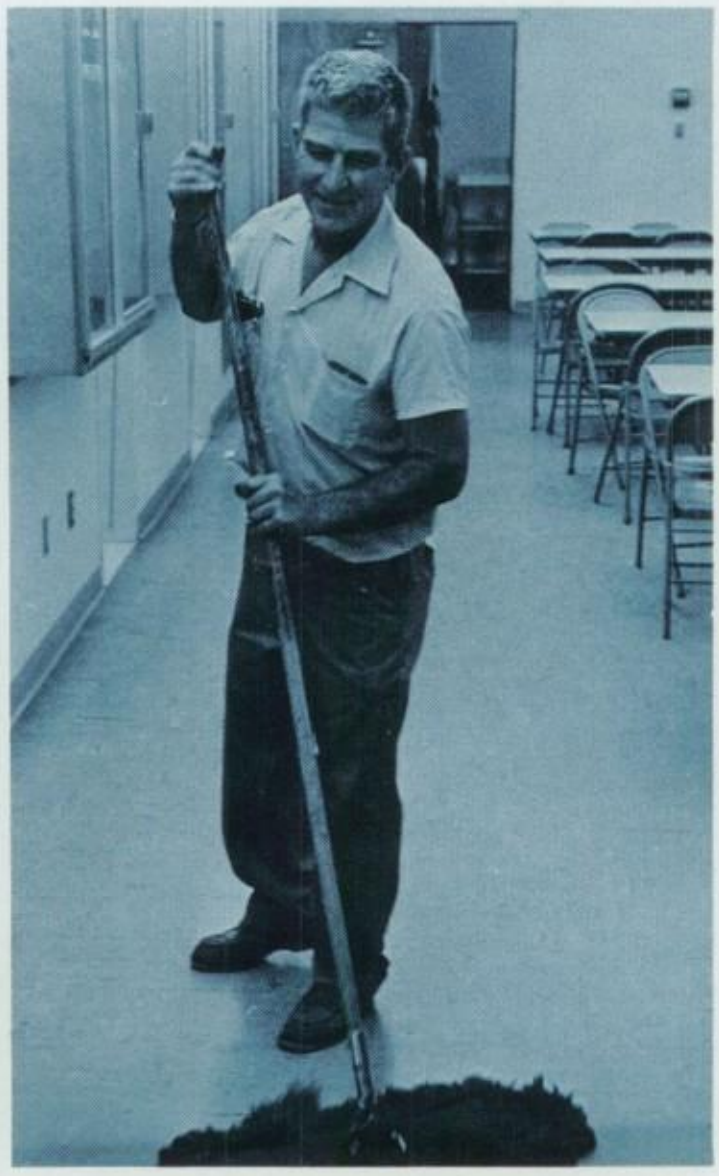
Special Recognition

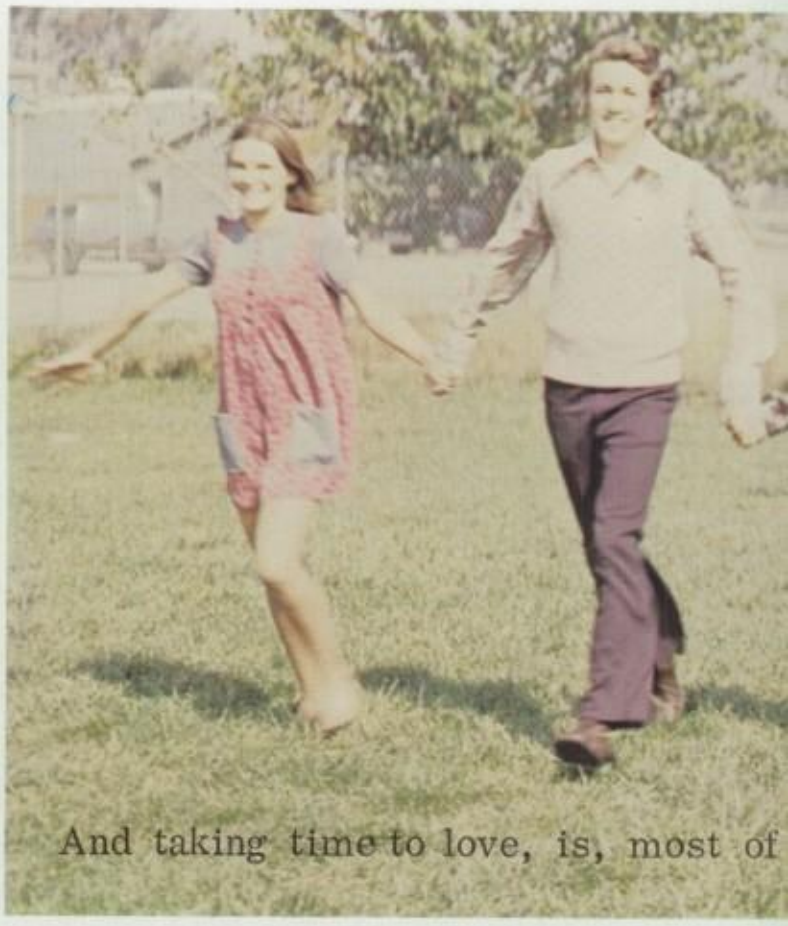
No one is more familiar to the students of Perris High School than Mr. Don Betz. He can be seen daily carrying ladders for cheerleaders, keeping the student lounge clean, delivering supplies to teachers' rooms, or performing the myriad tasks necessary for keeping the school operating smoothly.

Although often faced with tedious and burdensome tasks his manner is always cheerful. His willingness to help has earned him the affection of the students, teachers, secretaries, and administrators.

In appreciation of his unselfish qualities we have devoted these pages of the 1973 El Perrisito to Mr. Don Betz.







And taking time to love, is, most of

all, caring enough to not hold on too tightly and yet not run too loose.

THE WALTZ

It's like a dance--
a demented waltz,
with all the dancers
just a little mad.
Loving, I mean.
Giving in, letting go.
It's like a crazy waltz.
Couples in the dance,
Close, apart, together, turning,
promising more than they can give.
A game of musical chairs.
You play to win,
but in the end
it's only a waltz.

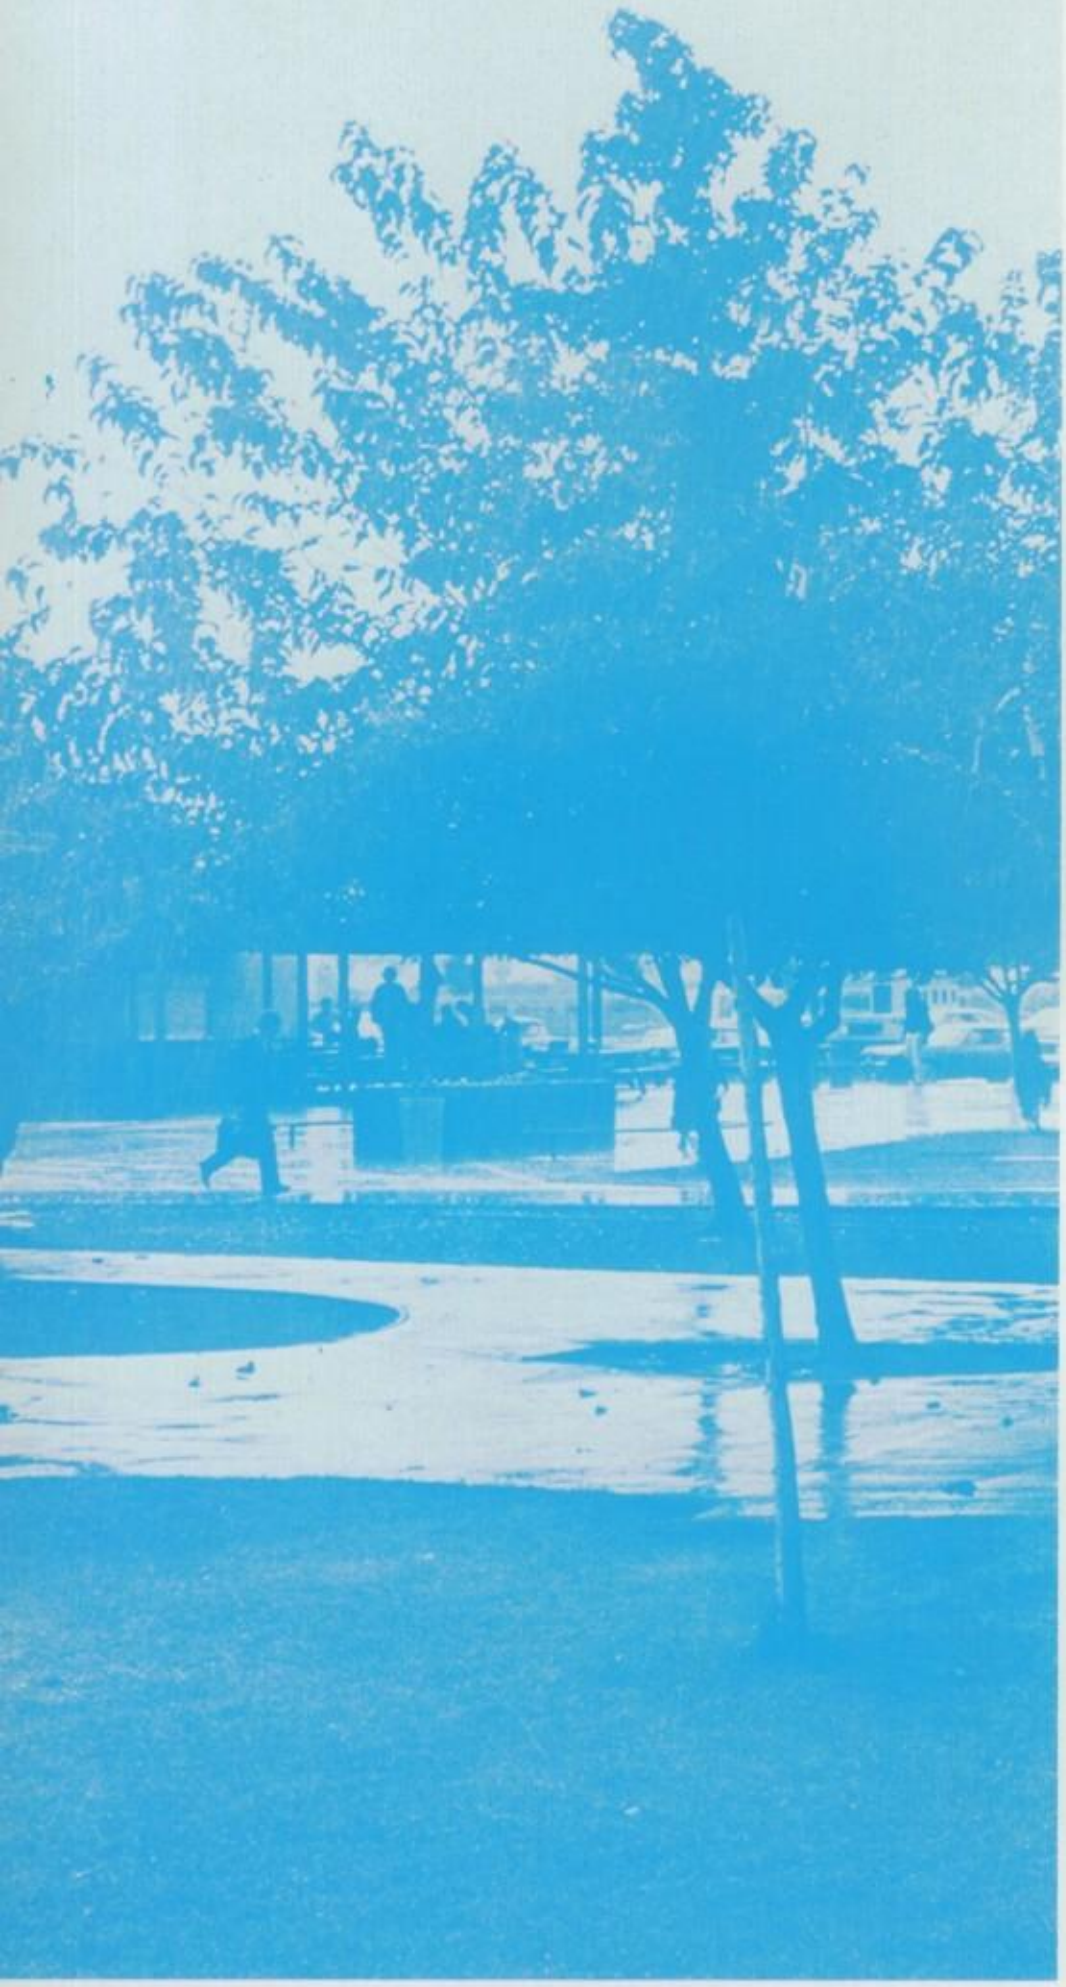
A GRADUATE'S PRAYER

Father, I have knowledge,
so will You show me now
How to use it wisely
and find a way somehow
To make the world I live in
a little better place,
And make life with its problems
a bit easier to face...
Grant me faith and courage
and put purpose in my days
And show me how to serve Thee
in the most effective ways
So all my education,
my knowledge and my skill,
May find their true fulfillment
as I learn to do Thy Will...
And may I ever be aware
in everything I do
That knowledge comes from learning -
and wisdom comes from You.



It doesn't matter
who you love
or how you love
but that you love.

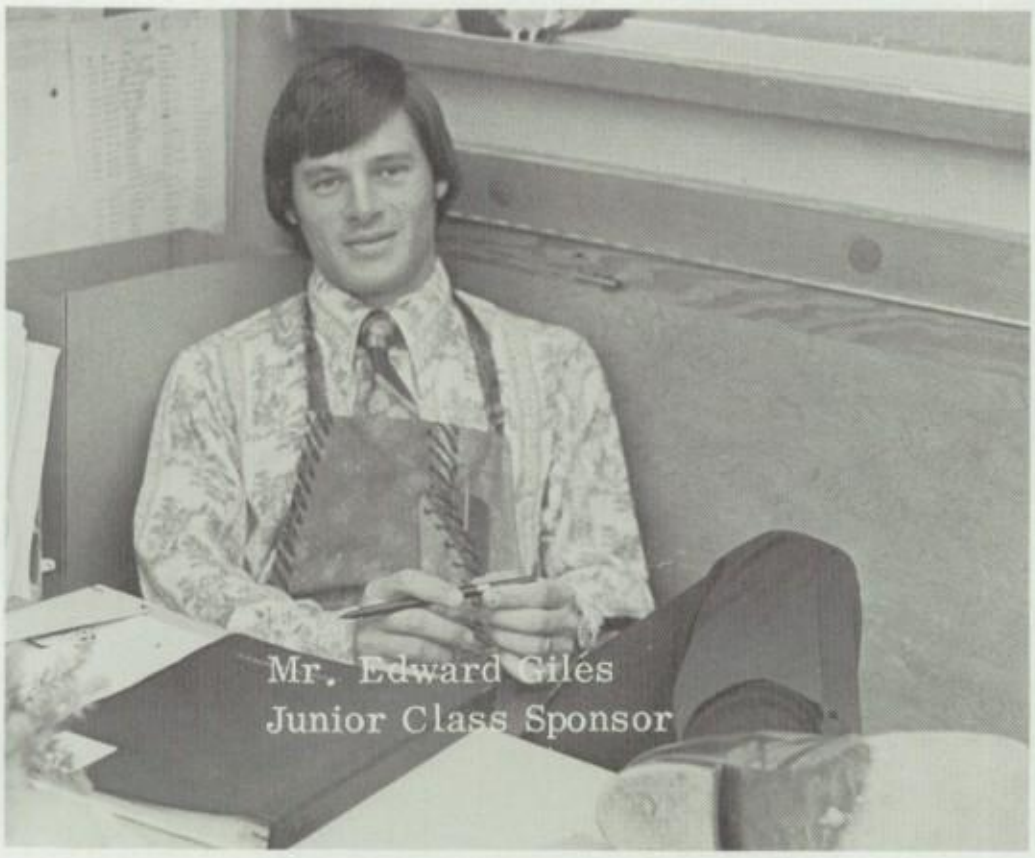
UNDERCLASSMEN

Juniors



Mr. Edward Giles
Junior Class Sponsor

No school year is complete without a Junior-Senior Prom. It is the pride of the Junior Class to spend endless hours of planning, raising money, and finally decorating for the prom. We feel it was the greatest prom Perris High has ever seen.

As the year comes to an end, we remember the good times and the bad, but most important of all, the past, looking towards the future. We, the Juniors of 1973, will return next year to take our rightful place as the almighty SENIORS!

This year's Sophomores had a hard time adjusting to the grown-up, mixed up high school hassle, leaving their Teddy Bears and Mommy at home. They waded through the books, the teachers, and homework . . . Endured the upperclassmen and did all that was required of them; The upperclassmen are willing to admit they've (almost) earned the name of Juniors.

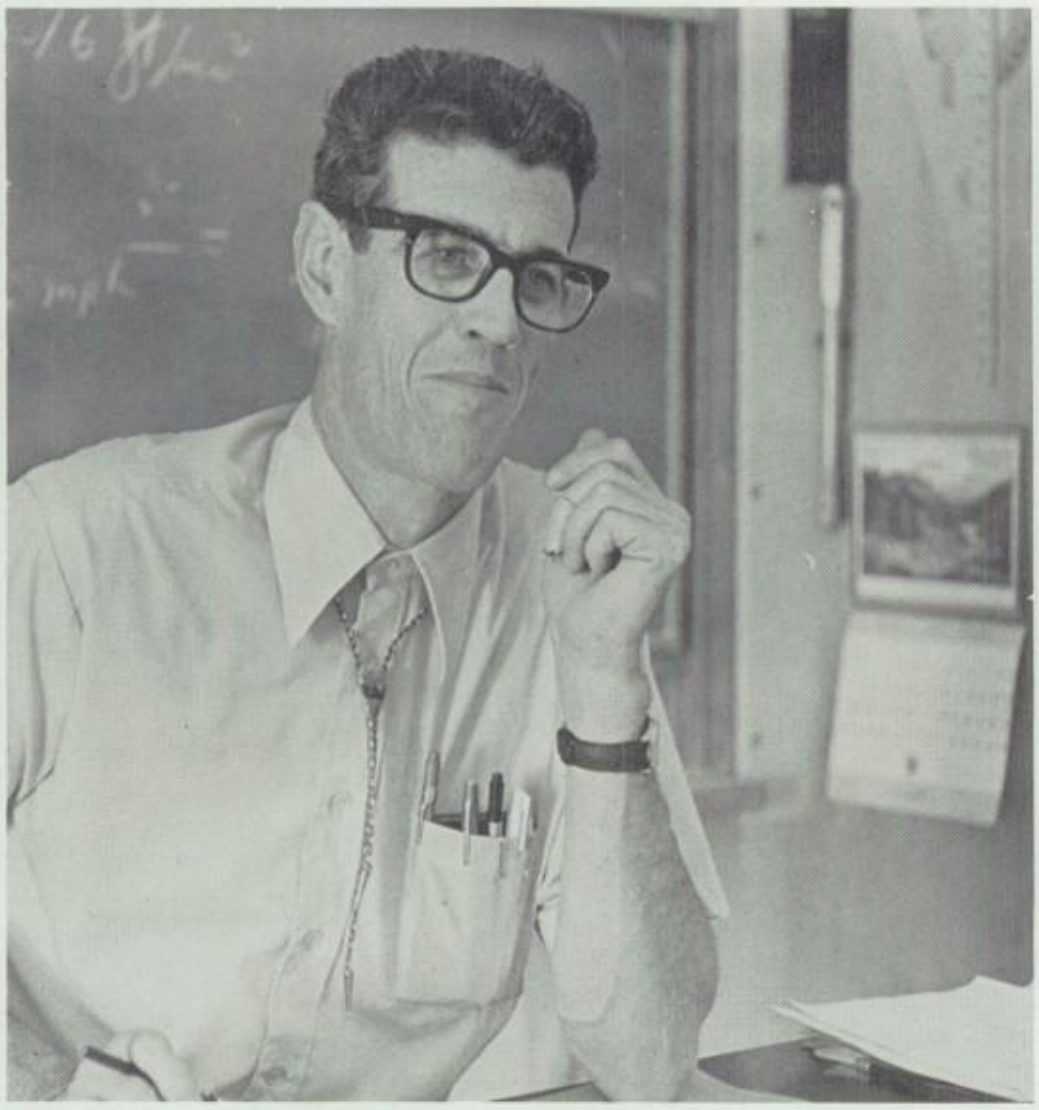
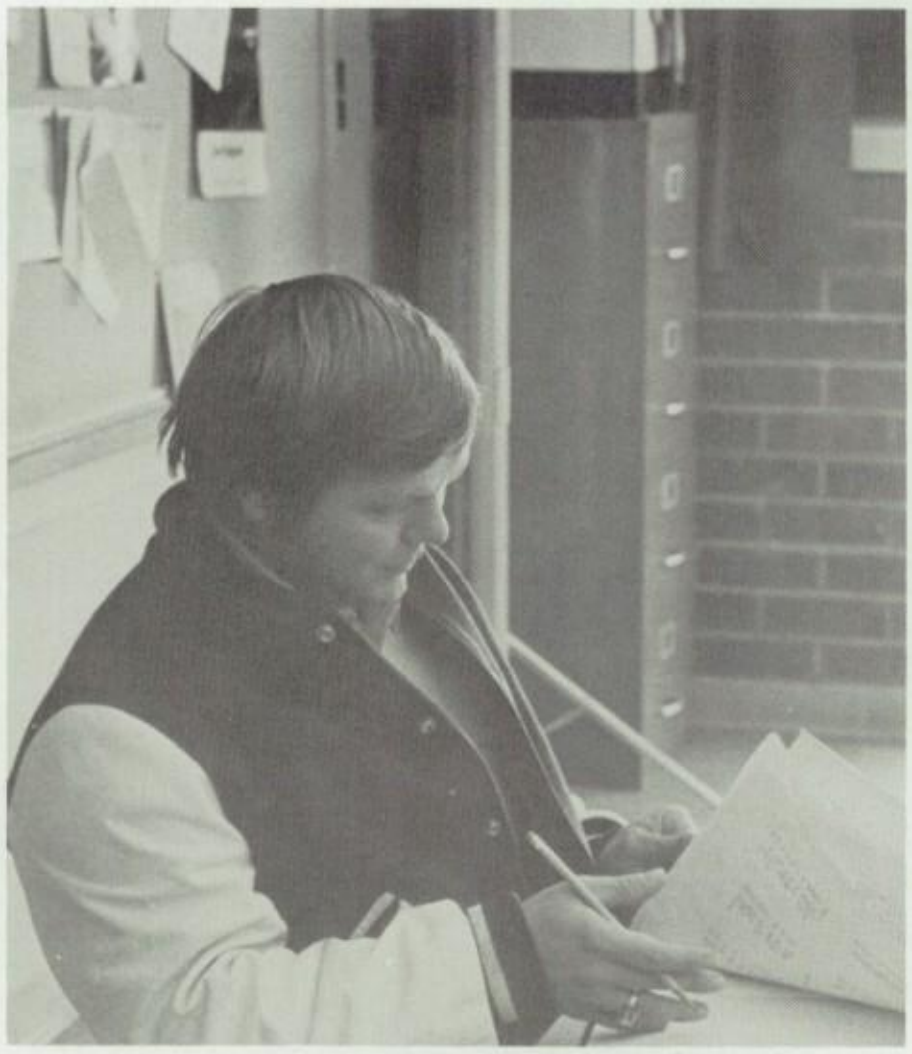
It's really a wonder that I haven't dropped my ideals, because they seem so absurd and impossible to carry out. Yet I keep them because in spite of everything I still believe that people are good at heart.

-Anne Frank

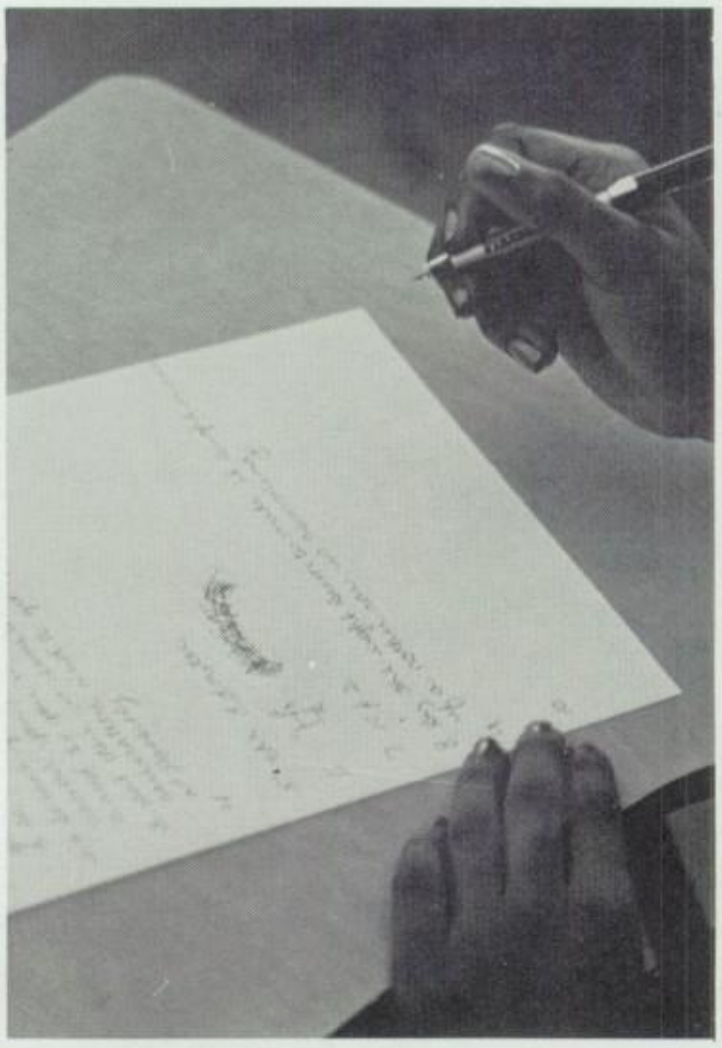


Think, there must be a harder way!

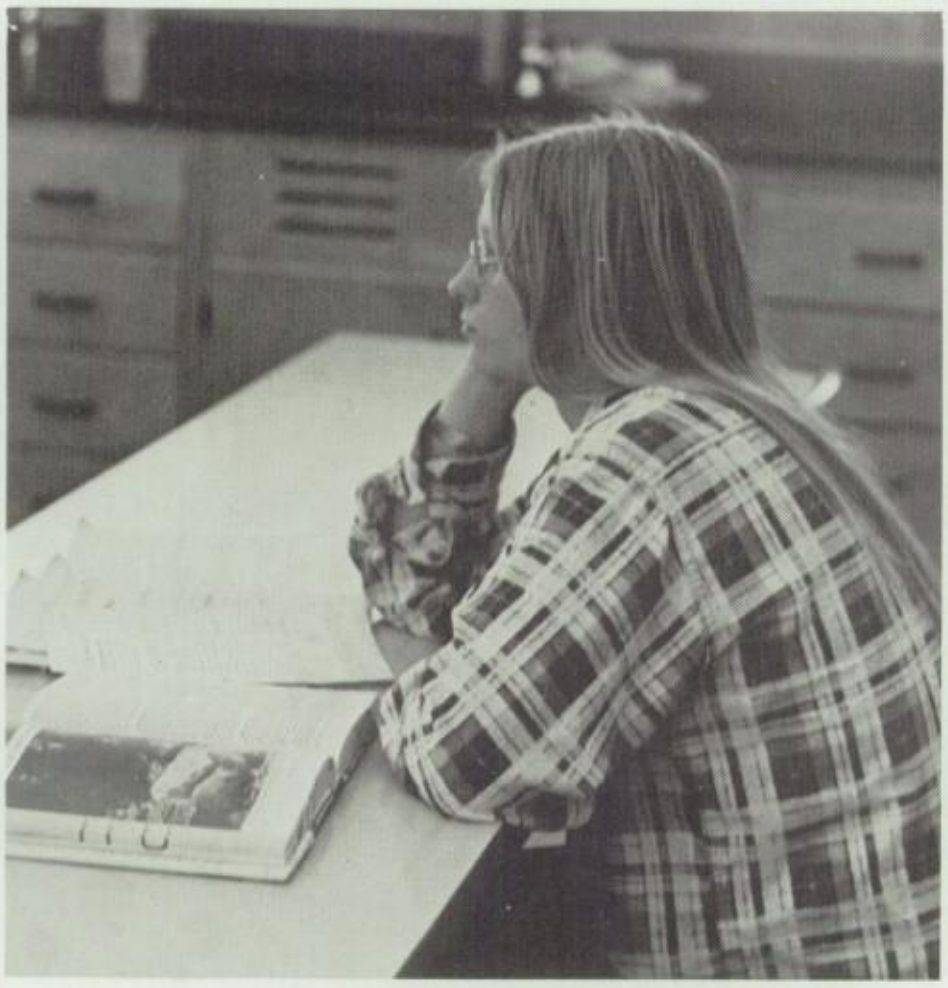
The hurrider I go the behinder I get.



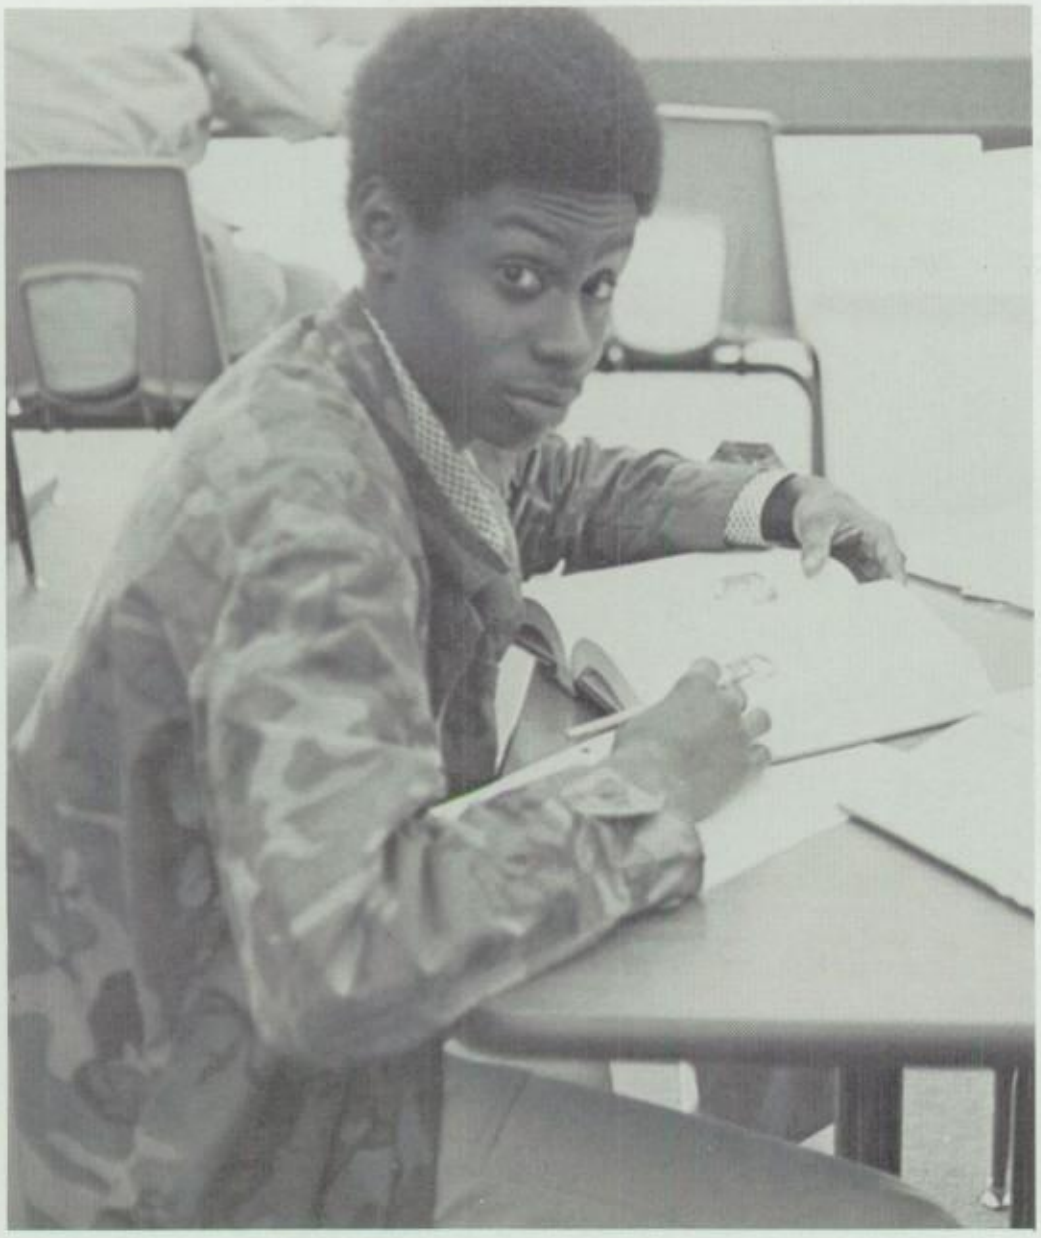
Sometimes I sits and thinks and sometimes I just sits.

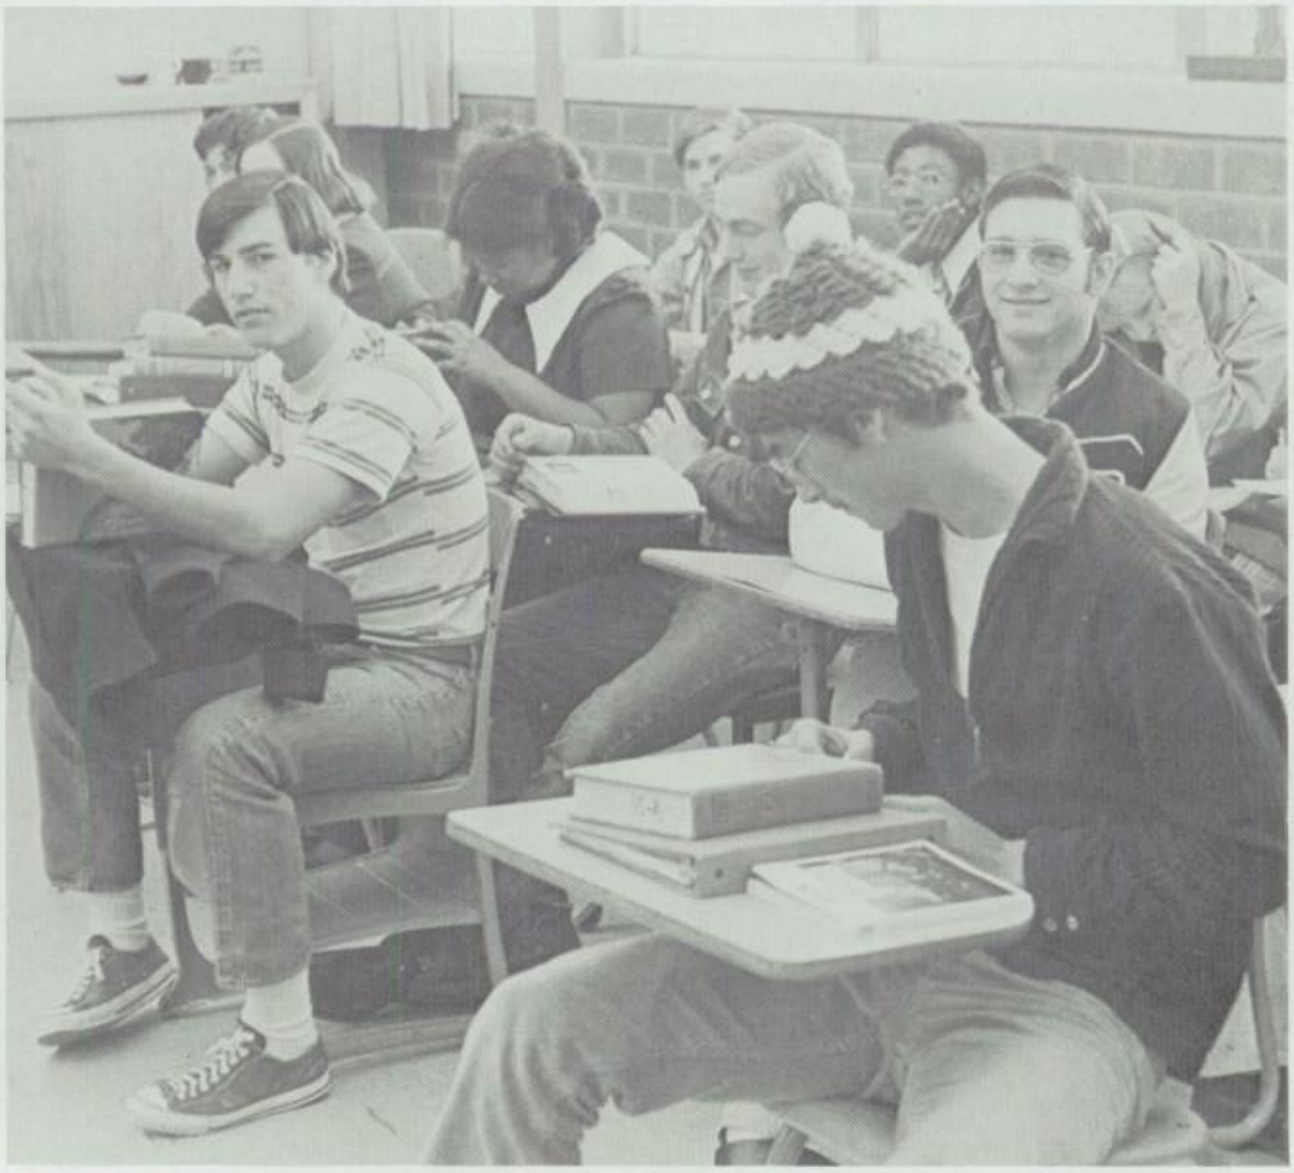


Does anybody really know what time it is?



I get by with a little help from my friends.





Too much sanity
may be madness,
and the maddest of all
to see life as it is
and not as it should be.

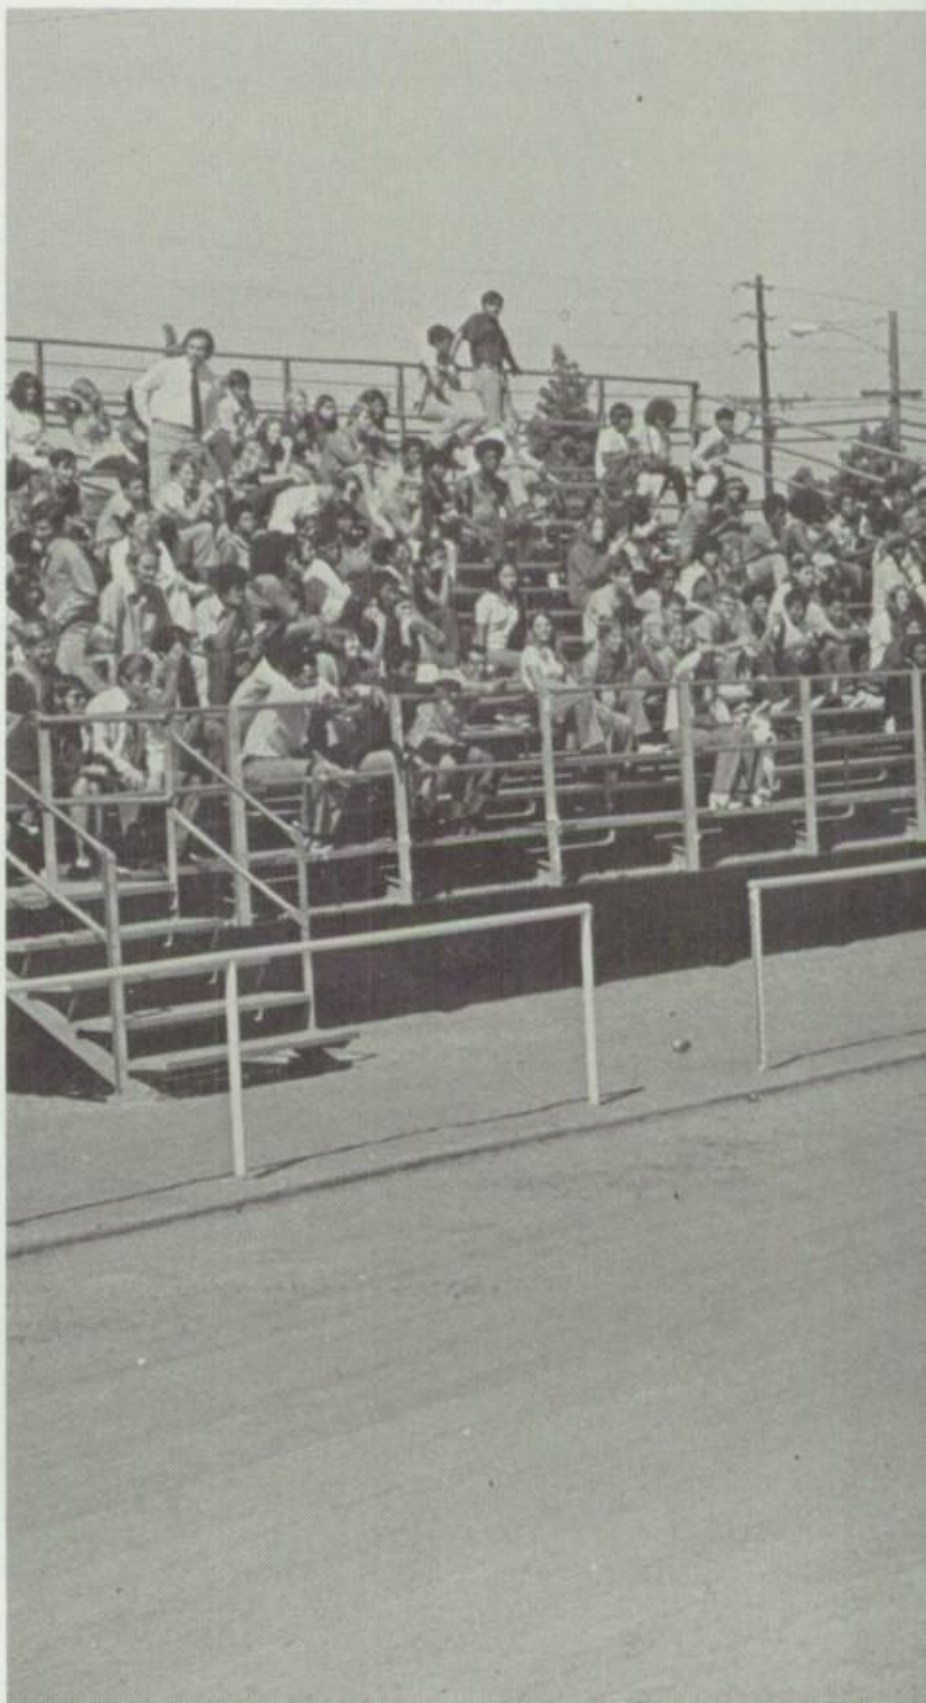
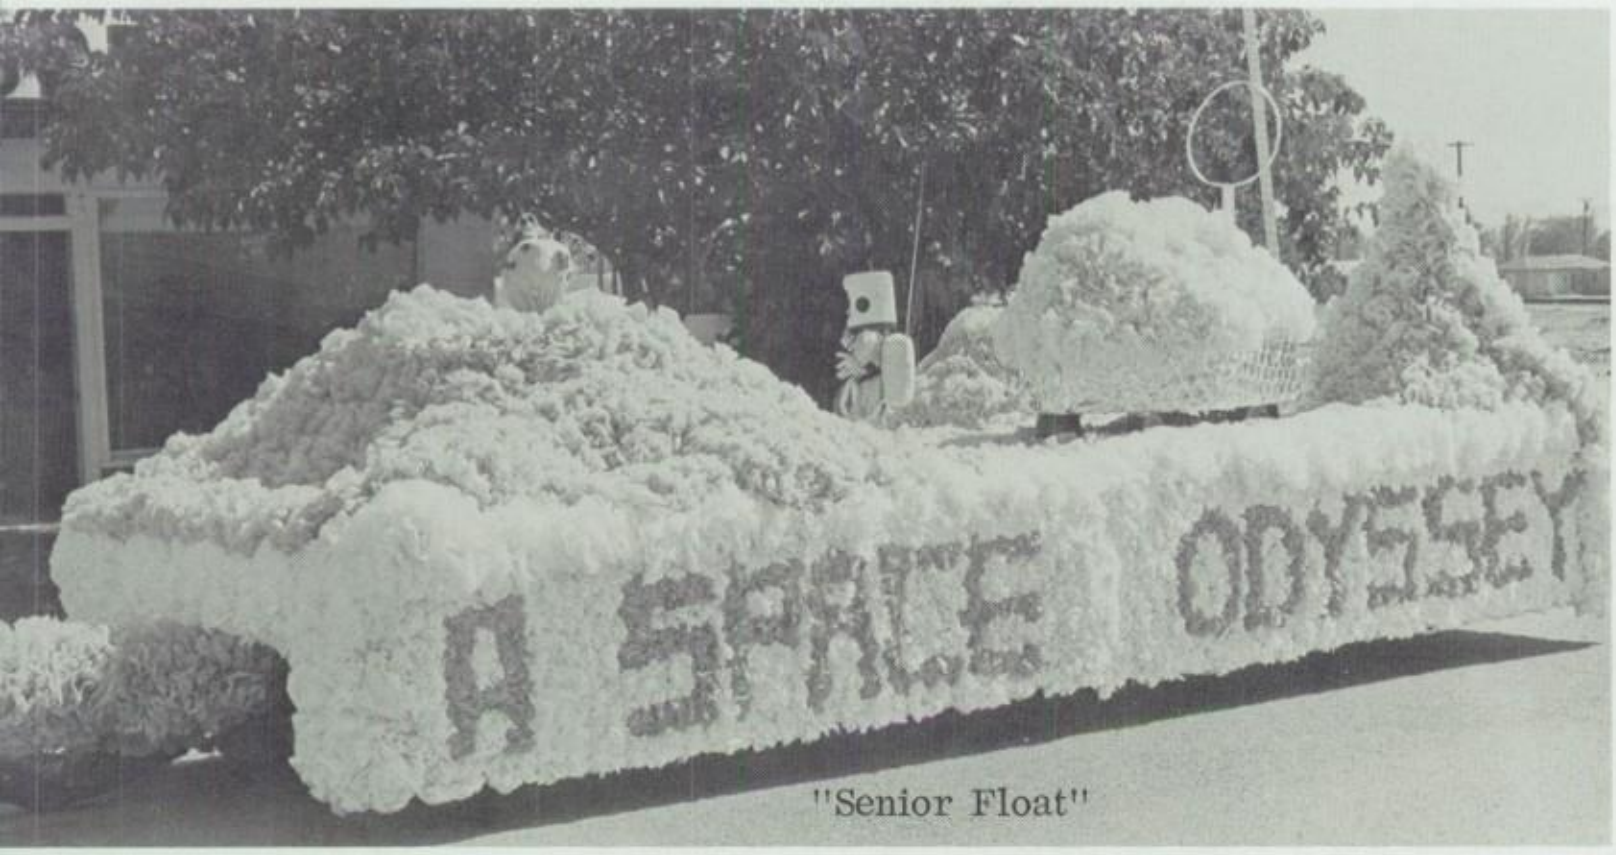
ACTIVITIES





"Senior Float"

Homecoming Activities

Homecoming week was alive with spirit and activities, such as the Volkswagon and toilet races, a girls' powder puff football game, and each class working diligently for long hours on floats hoping to win the Sweepstakes award. The Junior Class went home triumphantly with Sweepstakes, the Senior class followed with first place, the Sophomore Class with second. Come Friday, the big day arrived. There was a parade in the afternoon, a football game, the crowning of the queen, and finally a Homecoming Dance in the evening. Everyone was tired, but happy.

One of the most exciting events of Homecoming Week is the crowning of the Queen. The lucky girl was crowned by Robert Clark during half-time of the Homecoming Game against Elsinore. This year the football team chose Flora Dykstra as Homecoming Queen of 1972-73

American Field Service

Each year the American Field Service provides an opportunity for a foreign student to spend a year at Perris High. It will also send a Perris High student to a foreign country this summer. For A.F.S., the high point of the year is the International Dinner. Foreign students from other schools in Southern California come to Perris for a weekend. They tour the high school, rap with students and go to a Perris basketball game. This year's International Dinner was hosted by our own foreign exchange student, Rosangela Police, and was the best ever. It did much to encourage international friendship.

Despite disappointing setbacks, the Perris Panthers played an excellent season, ripping apart Yucca Valley to win fourth place in the De Anza League. They suffered three losses and a tie, but enjoyed five victories, never losing a home game. Shown below is fullback Walter Alford running a power sweep against Beaumont, and then a Panther touchdown. Beset by turnovers, Perris was unable to score in the Homecoming game. During the final seconds, we were within field goal range, but the kicker, Robert Clark, was injured on a defensive play in the fourth quarter. (Below) However, the Panther defense recovered five Elsinore fumbles, holding Elsinore scoreless and resulting in a 0-0 tie.

Beaumont's defensive line fell to pieces under the bone crushing force of the Panther offense. On an interception by cornerback Ken Nipper Perris drove ninety-seven yards for a touchdown, utilizing a variety of power plays. The Panther ground attack was led by halfback John Davis. Beaumont was also plagued by punt and kick return man, David Belger, whose unbelievable returns have astounded Perris High. Marc Carlton and Randy Heldoorn scored a touchdown apiece for the defense, which held Beaumont to a mere 14 points.

Track

Perris High demands excellent performance from its athletes. The Track team has met these requirements. They began their season by winning their first two league meets and by coming in second in an all-league tournament. This year a new school record for the three-quarter mile was set by Mitch Mouton, a sophomore. The Perris Track Lettermen have definitely earned the respect of the school for their dedication and competitive spirit.

Baseball

The Panther skipper, Coach Thompson, feels that this is the year for the varsity baseball team. Perris overcame Rim 3-1 in the second non-league game. Their second and third wins were against Bloomington 3-2, and Laguna Beach 7-0. The Panthers began season play with a win over 29 Palms. Star pitcher Ron Glenn pitched a three-hitter no-run game to give Perris the victory.

Junior Varsity Baseball

Led by the new coach, Ed Giles, the J.V. Baseball team had a great year. Their courage and hard work has molded them into a unified team. The Panthers were led throughout the season by starting pitchers Scott Nipper, Tom Zike, and Richard Stanley. Pictured at right with Coach Ed Giles are captains Rick Davis and David Luker.

Tennis

This year's Panther Tennis team, although lacking in experience, has plenty of enthusiasm and pride to carry them through the year, Coach Lon Dudley said. The team is composed mainly of underclassmen. Only three are returning lettermen, Wayne Pitz, first singles, Dale Pike, second singles, and Ernie Vincent, first doubles.
